

3-Methacryloxypropyltrimethoxysilane

Features of 3-Methacryloxypropyltrimethoxysilane China

- Product Name: 3-Methacryloxypropyltrimethoxysilane
- Chemical Formula: C₁₀H₂₀O₅Si
- CAS No.: 2530-85-0
- Dangerous Grade: 3

Technical Data of 3-Methacryloxypropyltrimethoxysilane

ITEMS	SPECIFICATION
Appearance	Colorless transparent liquid
Reactive index(n _{25D})	1.4290±0.0050
Assay	98%

Package and Storage:

- 200kg/drum or 1000kg/IBC drum
- Store in a cool, dry place. Keep container closed when not in use

Application /Application Industries:

- Glass fiber
- Rubber

- Adhesive
- Coating

Nanjing Chemical Material Corp.

ADD: 12/F, Block B, Technology and Innovation Building, Nanjing University of
Technology, No.5 New Model Road, Nanjing 210009, China
