

Heptyl Bromide

Features of China Heptyl Bromide

- Product Name: Heptyl Bromide
- Chemical Formula: C₇H₁₅Br
- CAS No.: 629-04-9
- Dangerous Grade: 3

Technical Data of Heptyl Bromide

Item	Method	Specification	Result
Appearance	Visual Test	Colorless clear liquid	Pass
Purity	Gas Chromatography	≥99.0%	99.36%
Moisture	Karl Fischer	≤500ppm	280ppm
PH Value	1:1 Water Solution	6.0-8.0	Pass

- Physical State: Liquid
- Color: colorless
- Odor: None reported.
- pH: Not available.

- Vapor Pressure: Not available.
- Viscosity: Not available.
- Boiling Point: 180 deg C @ 760.00mmHg
- Freezing/Melting Point: -58 deg C
- Autoignition Temperature: Not available.
- Flash Point: 60 deg C (140.00 deg F)
- Explosion Limits, lower: Not available.
- Explosion Limits, upper: Not available.
- Solubility in water: immiscible
- Specific Gravity/Density: 1.1400g/cm³
- Molecular Formula: C₇H₁₅Br
- Molecular Weight: 179.10

Package and Storage:

- 200kg/drum
- Store in a cool, dry place. Keep container closed when not in use

Application /Application Industries:

- Flavors & Fragrances
- Synthesis of organic chemicals

Nanjing Chemical Material Corporation. (NCCM), is a professional chemical distributor company which is set up through the restructuring of state-owned Nanjing Chemical Raw Material Head Company. It was founded in 1995 at first and restructured in 2007. The company is headquartered in Nanjing, with 2 offices in Guangzhou and Tianjin. NCCM has established close cooperative relations with BASF, EASTMAN, AkzoNobel, Chevron Phillips, Cabot, Lonza, SABIC, Honeywell, Evonic, Oleon, Showa Denko, Idemitsu, UBE, etc. Based on its own R&D center and production base, NCCM is also engaged in research, manufacturing, storage and logistics, for an integrated service and customized solutions to our suppliers and customers.

NCCM heptyl bromide exporter supports various industries with superior quality products, including lubricants and metal-processing, personal care, C.A.S.E, pharmaceutical and pesiticide, oil and water treatment, flavors and fragrances, organic & inorganic chemicals, ect.

The mission in NCCM is to be a bridge connecting dreams between China market and our partner in other countries, on the principle of equality, mutual benefit and win-win cooperation.
