

## Propyl Bromide

### Features of China Propyl Bromide

- Product Name: 1-Bromopropane
- Chemical Formula: C<sub>3</sub>H<sub>7</sub>Br
- CAS No.: 106-94-5
- Dangerous Grade: 3

### Technical Data of Propyl Bromide

Item	Specification
Appearance	Colorless Transparent liquid
Purity	≥99.0%
Water Content	≤500ppm
PH	6.0-8.0

### Package and Storage:

- 200kg/drum
- store in a cool, dry place. Store in a tightly closed container.

### Application /Application Industries:

- Pharmaceutical intermediates

- Flavors and fragrances

Nanjing Chemical Material Corporation. (NCCM), is a professional chemical distributor company which is set up through the restructuring of state-owned Nanjing Chemical Raw Material Head Company. It was founded in 1995 at first and restructured in 2007. The company is headquartered in Nanjing, with 2 offices in Guangzhou and Tianjin. NCCM has established close cooperative relations with BASF, EASTMAN, AkzoNobel, Chevron Phillips, Cabot, Lonza, SABIC, Honeywell, Evonic, Oleon, Showa Denko, Idemitsu, UBE, etc. Based on its own R&D center and production base, NCCM is also engaged in research, manufacturing, storage and logistics, for an integrated service and customized solutions to our suppliers and customers.

NCCM Propyl Bromide manufacturer supports various industries with superior quality products, including lubricants and metal-processing, personal care, C.A.S.E, pharmaceutical and pesticide, oil and water treatment, flavors and fragrances, organic & inorganic chemicals, ect.

The mission in NCCM is to be a bridge connecting dreams between China market and our partner in other countries, on the principle of equality, mutual benefit and win-win cooperation.
